# Work Ministry Creed

---

*We believe God created each of us in His image and likeness; each of us unique with talents and abilities; and each of us creative and resourceful.*

*We believe everyone has the responsibility to help others use and develop their unique talents in every way possible, especially to be productive and useful.*

*We believe significant work is an essential part of daily living, through the use of our unique talents and abilities.*

*We believe by providing resources and information Work Ministries can help others use their abilities to find fulfilling and meaningful work to enrich their daily lives.*

*We believe this to be using our unique talents and abilities in service to God and our faith community.*

# Mission Statement

---

*Work Ministry is a career management resource providing support for faith-based organizations serving the unemployed, the underemployed and career changers. We assist Job Support Ministries with resources for spiritual support, career management and technologies for members seeking assistance.*
